

Health Coalition for Children and Youth

July 31, 2017

Dear Partner,

The Health Coalition for Children and Youth (HCCY) is planning an event to celebrate the 10 year anniversary of the historic passage of the Washington state cover all kids law that created Apple Health for Kids. This act paved the way for historic gains in children's health care coverage, which is exemplified by the fact that over 97% of Washington's children are insured. In a political climate in which these gains are threatened, this gathering and celebration will highlight the positive impact Cover All Kids has had on children's lives, honor the advocates and lawmakers who helped pass Cover All Kids, and strengthen our resolve to protect health coverage and advance health for all children in our state.

We are still in the process of securing a location and setting the event date, however we anticipate the event will take place in October.

As a HCCY member organization, we hope you will consider making a contribution to help fund the celebration event. Funds will help cover facility, decoration, and refreshment costs. We've included an estimated budget below and we encourage donations from \$250-500.

Checks can be made to Children's Alliance.
